The Concordia Lutheran School Eagle Athletic Department is very excited to announce that it will be hosting the 1<sup>st</sup> annual Eagle Talon tip Off 3 v 3 Basketball Tournament on Sunday, November 13<sup>th</sup>.

The Eagle Talon Tip Off will feature half-court 3 v 3 basketball games, with two games being played simultaneously – one on each end of the court.

The entry fee per team is \$100. This amounts to \$20 - \$25 per player, based on a four or five player roster.

Games will be 25 minutes in length (running clock), with a single, one minute time-out allowed per game, per team.

While all are welcome, this tournament is targeted toward players of upper level talent and commitment (ie, the top half / starting line up of a school or recreational team and / or players who may have played some more competitive basketball).

Teams may be school teams or may be any combination of players from multiple teams of schools.

Players may play on only one team per bracket.

Female players are allowed to play on a boys team or in the boys division. (ie, theoretically, a female athlete could play on both a girls team in the girls bracket and a boys team in the boys bracket).

Teams MUST bring two sets of shirts or jerseys in different colors. Shirts or jerseys do NOT have to be identical other than color and do NOT require numbers.

All teams will be guaranteed three games.

WIAA certified referees will be used for each game.

Teams are allowed a maximum of five players – and MUST register with register with at least four players.

Teams MUST be coached / supervised by an adult.

---

Substitutions are unlimited and may be made by either team at any time when play is stopped.

We are anticipating having two brackets – one Boys and one Girls – each featuring six or eight teams.

Although we are getting sort of a late start soliciting teams on first year, based on the response to the Gus Macker 3 v 3 tournament this past summer and conversations that I have had with several individuals recently, we anticipate the brackets filling up very quickly and unfortunately, do not have the capacity to expand beyond one boys and one girls bracket this year.

Individual player trophies will be awarded to the first and second place teams in each bracket.
